### Course Policies

- **Mid-course and full-course mock interviews:** During the course, you can evaluate yourself through 2 types of mock interviews.

**Mid-course mock interview - 2 mock interviews**, get unlocked immediately after finishing Data Structure and Algorithms for **JAVA Stack** and Advanced Java Script for **MERN Stack**.

**Full-course mock interview - 2 mock interviews**, get unlocked after finishing the entire course content.

- **3 Placement mock interview:** The interview will test your overall readiness to face a typical company interview. Based on everything you have learned and the projects you have made, you'll get a chance to evaluate yourself for actual company interviews.

- **5 Mentorship Sessions:** At different stages of the course, you can avail of mentorship sessions with industry experts to get better clarity on various topics that you might have learned in the lectures.
- **1 Project mentorship session:** You can use this session to understand how to structure your project, how to write it in your resume, how to present it in an interview, what kind of questions around the project you should be ready for before an interview, etc.
- **2 HR expert sessions:** Acing a company's selection process not only requires technical skills but also good communication and soft skills. You can avail of these sessions with experts to hone your soft skills and interview etiquette.

### **Pause the course:**

Our course's pace and candidates' workload\health\emergencies can be variable as per the learner's need. We have a 'Pause' feature through which a learner enrolled in AccioJob may opt to pause their course within the entire duration of the program. During this period, all the resources apart from live lectures will be available to the candidate. The candidates can pause the course for a maximum of 4 months inside the course duration. EMIs cannot be paused.

### **After finishing the course content, you can opt for placement services from AccioJob:**

- AccioJob provides opportunities to apply in 300+ AccioJob Partner companies' recruitment drives, referrals to top companies, and placement preparation sessions and resources as a part of our Placement Services.
- To opt for the placement services, you'll need to prove your proficiency in the course content by scoring at least 60% in a mid-course and a full-course mock interview and at least 70% in the placement mock interview.
- You do not need to pay any additional fees to start placement services with AccioJob. You will sign a placement services agreement with AccioJob and pay the remaining fees only after securing a placement according to the terms and conditions mentioned in the agreement.
